

Refresh by Master Clean™ is a housekeeping service provided by Master Clean USA Inc.™ (Master Clean) with a narrowed scope designed to offer clients a thorough clean of traditionally high-traffic areas and elements within their home, with limited attention, if any, paid to less busy parts of the home. A full breakdown of the scope of Refresh by Master Clean™ may be found on mastercleanusa.net.

Because every home is unique in its size, layout, and need of cleaning, we make no guarantee of pricing. Any pricing examples listed on mastercleanusa.net, on Master Clean's social media profiles, in email advertising, or anywhere else are examples only. Any official pricing proposal made by Master Clean for Refresh by Master Clean™, either verbally or in writing, are subject to change based on the size of the space as well as on the condition in which it is left for us to clean.

Refresh by Master Clean™ is intended to provide affordable cleaning solutions and support for homes interested in or in need of a relatively average level of cleaning as determined by Master Clean. Refresh by Master Clean™ is not intended for homes in need of a deep clean or a space that has been neglected or allowed to fall into a state of serious disrepair. Master Clean has full and sole discretion, at any point in time up to payment for service, to determine if a space can be fully serviced within the scope of Refresh by Master Clean™. If Master Clean determines that a space's need exceeds the scope of service offered by Refresh by Master Clean™, we reserve the right to limit our service to that scope, and you may not experience the intended results. If you have a home or space that falls outside of the scope offered by Refresh by Master Clean™, we recommend first scheduling a complete clean and maintaining your space with Refresh by Master Clean™ thereafter.

By hiring Master Clean for a Refresh by Master Clean™ service, you acknowledge and agree to these Terms & Conditions in full.
